

# **COMMAND MASTER CHIEF/CHIEF OF THE BOAT TOUR CHARTER PRESENTATIONS**

## **INTRODUCTION:**

Couples present their Command Master Chief/Chief of the Boat Tour Charters in a joint session on Friday. You will have received a brief on Monday afternoon along with a handout with a 'considerations' check list to create your Tour Charter with your spouse. Having conversations with each other during this week of what each might expect of each other will set the building blocks in your relationship during this tour and also the roles that each might play within the command. Spouses, every involvement is by choice as to what you will participate in. This is a FUN and exciting time for each of you, so plan your work, and work your plan!

## **GOAL:**

- share your Tour Charter with other students
- attend the presentation of the other Tour Charters on Friday prior to graduation
